Re: *Sandor Ceballos v. Contra Costa County*
United States District Court - San Francisco Case No. C13-4584 LB

Dear Judge James:

I am writing with respect to the Mandatory Settlement Conference set for February 24, 2015, to request the Court excuse the appearance of the individual defendants. None of the named defendants currently work for Contra Costa County. Several work swing or graveyard shifts for other law enforcement agencies. To attend the conference, they will each be required to take unpaid leave from their current jobs. Some do not reside near San Francisco. In addition, Seaton Fajeau has a scheduled training with his current employer from February 23 to February 25, 2014.

The conference will be attended by myself and Scott Selby, the Assistant Risk Manager for Contra Costa County. Mr. Selby has full settlement authority on behalf of the County and the individual defendants, subject to the approval of the Board of Supervisors. There has already been one mediation in this case, at which Deputy Chris Light appeared. Two of the deputies' depositions have been taken by plaintiff. All of the investigation reports have been produced to plaintiff's counsel.
